CROSSWORD CONSTRUCTION

Celebrating International Women's Day (IWD)

\$6

A **crossword puzzle** is much more than just a game – it is a place to explore and discover new ideas, associations, details, and subtle language differences.

IWD is an opportunity for us to think together about womanhood and what being a woman means today. We invite you to join a live session where we will create a crossword puzzle and YOU will actively choose the clues and the answers.

Tuesday, March 9, 2021

11:00AM - 12:30PM MST

Proceeds will be donated to the Women's Centre of Calgary.
